## FAMILY SHOUTOUT DESIGN OPTIONS

### Have HPSD design the ShoutOut:

If you don't want to create the ad yourself, just send 1– 2 pictures (any size) along with text (20 words max) to Laura at [laura@hydeparkdance.org](mailto:laura@hydeparkdance.org) and we'll take care of the rest. **Due Date: May, 6 2024**

### Design the ShoutOut yourself:

To create the design yourself, we recommend Canva, [www.canva.com](http://www.canva.com). After you have created your Canva account, click on File. The drop-down menu will appear. Click on Custom Design, then set the margins in INCHES to 4.5 w x 3.75 l. Make sure you don't set it to px, mm, or cc — it MUST be in inches. Once you are done creating your ad, click on download to save your design to your computer and send it to Laura at [laura@hydeparkdance.org](mailto:laura@hydeparkdance.org). **Due Date: May 6, 2024**

### Really Helpful Tips

- 1) Crop the photos so that you fill the picture with your dancer; cut out extraneous backdrop.
- 2) Don't use too many photos; it's your message that matters.
